

KRITIKA TYAGI

MOBILE APP & PYTHON DEVELOPER

I am a skilled Mobile Application Developer with 4 years of experience in Android and Flutter, combined with Python proficiency. I excel at creating intuitive, high-performance apps and solving complex challenges through innovative solutions. Skilled in designing seamless user experiences, refining code for efficiency, and adapting features based on real-world feedback, I thrive in environments that encourage growth and collaboration. Always eager to learn and innovate, I aim to contribute to projects that push the boundaries of technology.
